

A PYRAMID PROPERTY

Live Training Opportunity for Tenants with the Poughkeepsie Police Department!

In partnership with the Poughkeepsie Police Department we are excited to announce that starting on Wednesday March 18th 2026 and every Wednesday through April 22nd 2026 from 9pm to 11:30pm a **LIVE TRAINING** will take place in the mall to address Active Shooter scenarios.

The **LIVE TRAINING** will start at approximately 9pm with mall security and participating tenants hearing/observing a role player "bad guy" who will initiate an active shooter scenario in the mall. The scenario will then play out as if this were a real event, mall security will react accordingly and the Police response will then begin; the training will play out from there.

ROLE PLAYERS: For the **LIVE TRAINING** role players will report to a Police Officer who is charged with their safety and handling. The Officer will assign roles to the Role Players. Some will be assigned as "victims"; some will be told to "run"; some will be told to "hide in their stores"; some will be told just to yell "help". Role Players will be given a script and a specific task. Role Players can attend one of the **LIVE TRAINING** dates or multiple if they'd like.

Training for Role Players: Participating tenant employees previously received a Civilian Response Training last year. This new training would be very different. This training would be more of an "acting" class as Officers would teach the civilians how to be role players, what to say, how to act, what to expect and what not to do. There will be certain rules and expectations role players must agree to before participating in this event. Role players will have to sign a waiver before the **LIVE TRAINING** begins.

If you and or your tenant location are interested in participating in the **LIVE TRAINING**, please sign up for one or more of the following dates, you must also sign up for one of the role player training dates. The training dates for **ROLE PLAYERS** will be Wednesday March 11th and Friday March 13th at 11am in the Community Room. **Please fill out the attached page and return to the security office no later than Friday March 6th.**

Thank you!
